

MEAT AND POULTRY CARCASS DENATURANT

Greenall is for denaturing carcasses, parts thereof, meat and meat food products intended for disposal for purposes other than human food.

DIRECTIONS FOR USE: Dilute 1 part Greenall with approximately 16 parts water, or about 8 ounces Greenall per gallon of water. Apply diluted product to meat carcasses and by-products to indicate unsuitability for human consumption. Deposit in all portions of the carcasses, parts thereof, meat and meat food products to the extent necessary to prevent its use for human food.

Additional Precautions: Contact with skin and clothing will cause staining. Use hand protection while handling.

WARNING

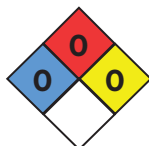

Causes eye irritation. Prevention: Wash face, hands and any exposed skin thoroughly after handling. **Response: IF IN EYES:** Rinse cautiously with water for

several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Additional First Aid: IF ON SKIN (or hair): Rinse with water. Wash contaminated clothing and shoes before reuse. Get medical attention if irritation develops and persists. **IF SWALLOWED:** Do NOT induce vomiting. Drink plenty of water. Never give anything by mouth to an unconscious person. Call a doctor if you feel unwell.
