

KC-215 DEGREASER

NON-VOC BIODEGRADABLE DEGREASER

WARNING

Causes eye irritation. Prevention: Wash face, hands and any exposed skin thoroughly after handling. **Response: IF IN EYES:** Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Recommended First Aid: IF ON SKIN (or hair): Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. Wash contaminated clothing and shoes before reuse. Get medical attention if irritation develops and persists. **IF INHALED:** Remove to fresh air. Administer oxygen if breathing is difficult. Call a physician immediately. **IF SWALLOWED:** Do NOT induce vomiting. Drink plenty of water. Never give anything by mouth to an unconscious person. Call a physician immediately.

Read SDS before using this product.

KC-215 Degreaser is a water soluble, non-VOC, biodegradable degreaser. It is designed for degreasing floors, walls, metal equipment and other hard surfaces. Can be safely used on all metals, concrete, plastics, vinyl, ceramic and glass. It is very effective in removing grease and fat build up, tire marks, permanent marker, graffiti, and for metal parts cleaning.

DIRECTIONS FOR USE: Dilute KC-215 Degreaser with water at 1:1 to 1:5 ratio, depending on the soil to be removed. Apply liberally to the surface as a spray, or wipe on. Hand held garden sprayers and spray bottles are adequate for use at low pressure. Allow the product to remain on surfaces without scrubbing for 5 minutes, then simply rinse surfaces with potable water. High pressure water is recommended, but house pressure is adequate. Heavily soiled surfaces may require using undiluted KC-215 Degreaser as well as some scrubbing and/or a second application. Contact your Safe Foods Chemical Innovations' Representative for help with your particular application.
