BATCH:

KC-404 is a high-foaming, heavy duty liquid cleaner blended from powerful acid and special surface active agents to provide rapid soil attack and ease of rinsing. KC-404 may be used in foaming units on equipment, walls, and floors and in all departments of meat, poultry and general food processing plants.

DIRECTIONS FOR USE: Rinse area to be cleaned with hot water to remove gross soil. Use 2-8 ounces of KC-404 per gallon of hot water (100°F-140°F). Spray from foaming device and let stand. Rinse with clean water. KC-404 may be used in all departments of meat, poultry and general food processing plants.

The chemical composition of this product may cause the color to fade over time. Color fading will not impact the effectiveness of this cleaner.
