

TECHNICAL DATA

KC-404

Description:

KC-404 is a high-foaming, heavy duty liquid cleaner blended from powerful acid and special surface active agents to provide rapid soil attack and ease of rinsing. KC-404 may be used in foaming units on equipment, walls, and floors and in all departments of meat, poultry and general food processing plants.

The chemical composition of this product may cause the color to fade over time. Color fading will not impact the effectiveness of this cleaner.

Physical Properties:

Appearance - Red liquid

Odor - Solvent

pH, concentrate - Less than 1.0 @21°C

Density - 9.85 pounds per gallon

Foaming - High

Rinsing - Excellent

Directions for Use:

Rinse area to be cleaned with hot water to remove gross soil. Use 2-8 ounces of KC-404 per gallon of hot water (100-140°F). Spray from foaming device and let stand. Rinse with clean water.

Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected.

Safety:

KC-404 contains Phosphoric Acid. Avoid contact with skin and eyes. In case of skin contact, flush skin with water. In case of eye contact, flush eyes with water for at least 15 minutes and call a physician.

Read Safety Data Sheet (SDS) before using this product.

Storage:

Keep container covered and store in a cool, dry place.
