## STAINLESS STEEL DESCALER/DESTAINER

**DANGER**

**Toxic if swallowed. Fatal in contact with skin. Toxic if inhaled. Causes severe skin burns and eye damage.**  
**Prevention:** Wash face, hands and any exposed skin thoroughly after handling. Do not eat, drink or smoke when using this product. Do not get in eyes, on skin, or on clothing. Use only outdoors or in well-ventilated area. Do not breathe

A strong acid cleaner for removing scale, buildup, and stains from stainless steel.

**DIRECTIONS FOR USE:** To be used by or under supervision of trained Safe Foods Chemical Innovations' Representative. Use 8 to 16 ounces per gallon of hot water (100-140°F). Apply by low mist spraying or soaking, let soak for about 5 minutes. Do not let chemical dry on surfaces. Rinse thoroughly with potable water. Follow by a wash with alkaline detergent, such as KC-568 or KC-564, and then thoroughly rinse again with potable water. Prolonged contact with stainless steel, glass or tile may cause etching. Clean small area at a time.

dusts or mists. Wear protective gloves/protective clothing/eye protection/face protection. **Response:** Specific treatment (see Section 4 on SDS). Immediately call a poison center or doctor. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing and shoes before reuse. Immediately call a poison center or doctor. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. **IF SWALLOWED:** Immediately call a POISON CENTER or doctor. Rinse mouth. DO NOT induce vomiting. **Storage:** Store locked up. Store in a well-ventilated place. Keep container tightly closed. **Disposal:** Dispose of contents/container to an approved waste disposal plant.

**Additional Precautions:** Contains hydrofluoric and phosphoric acids.

**Read SDS before using this product.**
