SHACKLE AND CONVEYOR LUBRICANT

Premium water soluble shackle and conveyor lubricant, effective in a variety of meat, poultry and food processing environments. PC-720 contains ingredients that are either GRAS or approved for contact with food products, therefore allowing for use in applications with incidental food contact.

DIRECTION FOR USE: Dilute PC-720 with water from 1:5 to 1:35 depending on conveyor speed and load. PC-720 should be applied by spray systems designed for lube application.

ADDITIONAL PRECAUTIONS: Flammable! Keep away from ignition sources and incompatible materials. Before using this product, food products and packaging materials must be removed from room or carefully protected. Do not store with strong oxidizing agents. Keep out of reach of children. This product contains denatured ethanol which might produce toxic effects if ingested.
