

PACKERS' BLEND-NK

TROLLEY OIL

DANGER

Causes eye irritation. May be fatal if swallowed and enters airways. Prevention: Wash face, hands and any exposed skin thoroughly after handling. **Response: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF SWALLOWED:** Immediately call a poison center or

doctor. Do NOT induce vomiting.

Storage: Store locked up.

Disposal: Dispose of contents/container to an approved waste disposal plant.

Recommended First Aid: IF ON SKIN (or hair): Rinse skin with water. Get medical attention if irritation develops and persists. Wash contaminated clothing before reuse. **IF INHALED:** Remove to fresh air. Consult a doctor if necessary.

Read SDS before using this product.

Heavy-duty trolley oil for use in batch or tank systems in beef slaughter plants.

DIRECTIONS FOR USE: Dip trolleys in a tank of hot oil (175-185°F) for a minimum of 10 seconds. Let the excess oil drip off. For more information, please contact your Safe Foods Chemical Innovations' Representative.

Additional Precautions: Avoid water contamination and extreme temperature to minimize product degradation.
