POWDERED ALKALINE TROLLEY CLEANER

Trollex 50 is a powdered alkaline trolley cleaner. It is dustless, free flowing and has good water solubility. Trollex 50 contains a blend of penetrating, wetting, emulsifying and sequestering agents to effectively remove soil and rust from trollevs.

DIRECTIONS FOR USE: Trollex 50 is normally diluted at the rate of 2-12 ounces per gallon of water depending upon soil to be removed, the temperature of the cleaning bath and the time allowed for cleaning.

Note: This product is not safe on soft metals, galvanized and painted surfaces.
