TROLLEY STRIPPER ENHANCER

Trolley Doctor is a powdered composition formulated to enhance the cleaning action of alkaline trolley strippers. Use of Trolley Doctor is indicated in situations where deposits of rust and grease have built up over a period of time, and trolley strippers no longer can remove them. Trolley Doctor is long acting and will lengthen the time between recharging of your tank.

DIRECTIONS FOR USE: Begin by adding 3 pounds of Trolley Doctor for each 20 gallons of tank capacity. Monitor condition of trolleys for 2-3 days, and add more Trolley Doctor as needed.
