

PSSI-262 GENERAL CLEANER

WARNING

Causes serious eye irritation. Prevention: Wash face, hands and any exposed skin thoroughly after handling. Wear eye protection/face protection. **Response: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Recommended First Aid: IF ON SKIN (or hair): Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. Wash contaminated clothing before reuse. Consult a physician if necessary. **IF INHALED:** Remove to fresh air. Immediate medical attention is not required. **IF SWALLOWED:** Do NOT induce vomiting. Drink plenty of water. Never give anything by mouth to an unconscious person. Consult a physician if necessary.

Read SDS before using this product.

HIGH FOAMING, ALL PURPOSE CLEANER

PSSI-262 General Cleaner is a high foaming, all purpose cleaner and degreaser, which contains no phosphates or VOCs. PSSI-262 General Cleaner may be applied by brush, through a foaming device or by soaking on equipment, walls, and floors in all departments of meat, poultry dairy and general food processing plants.

DIRECTION FOR USE: Rinse area to be cleaned with hot water (100°F-140°F) to remove gross soil. Use 1 to 4 ounces of PSSI-262 General Cleaner per gallon of hot water (100°F-140°F). Apply with brush, through a foaming device or by soaking and let stand. Thoroughly rinse with potable water to remove all residue.

When using as a concentrate, always add water in between the PSSI-262 General Cleaner and the acid or alkaline booster. Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected. This product should not come into direct contact with meat, shell eggs, or other food products.
