

# SODIUM HYDROXIDE FLAKES

**DANGER**

**Causes severe skin burns and eye damage. Harmful if swallowed. Harmful in contact with skin. Prevention:** Do not eat, drink or smoke when using this product. Do not breathe dusts or mists. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. **Response:** Specific

treatment (see Section 4 on SDS). Immediately call a poison center or doctor. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing and shoes before reuse. Call a poison center or doctor if you feel unwell. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. **IF SWALLOWED:** Call a poison center or doctor if you feel unwell. Rinse mouth. DO NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container to an approved waste disposal plant.

**SPILL AND LEAK:** Shovel dry material into suitable container. Keep out of water supplies and sewers. This material is alkaline and may raise the pH of surface waters with low buffering capacity. Releases should be reported, if required, to appropriate agencies. Notify Local Emergency Planning Committee and State Emergency Response Commission for release greater than or equal to RQ (US SARA Section 304). If release occurs in the US and is reportable under CERCLA Section 103, notify the National Response Center at (800) 424-8802 (USA) or (202) 426-2675 (USA).

**EXTINGUISHING MEDIA:** Do not use water. Use extinguishing agents appropriate for surrounding fire.

**HANDLING AND STORAGE:** Avoid breathing dust. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. When mixing, slowly add water to minimize heat generation and spattering. Store and handle in accordance with all current regulations and standards. Keep containers tightly closed and properly labeled. Do not store in aluminum container or use aluminum fittings or transfer lines, as flammable hydrogen gas may be generated. Keep separated from incompatible substances.

Note: This product is not safe on soft metals, galvanized and painted surfaces.

Read SDS before using this product.
