

TECHNICAL DATA

CC-615

Description:

CC-615 is a 12.5% sodium hypochlorite solution that is an effective sanitizer and bleaching compound for a wide variety of applications. CC-615 is a 12.5% sodium hypochlorite solution that is an effective sanitizer and bleaching compound for a wide variety of applications. It provides an easy and economical way of cleaning and removing stains without scratching porcelain finishes. Ideal for food plant use. A Letter of No Objection (LONO) has been issued by Health Canada for use as a food contact surface sanitizer and for use in dishwashing machines. See LONO for any restrictions.

Physical Properties:

Appearance – Clear yellow liquid
Odor – Pungent chlorine bleach odor
Available Chlorine % by weight – 11.9-13.0%*
pH, concentrate – 12.5
Density – 10.09 pounds per gallon

Directions for Use:

Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected.

NOTE: This product degrades with age. Use a chlorine test kit and increase dosage, as necessary, to obtain the required level of available chlorine.

Safety:

DANGER. Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Harmful if inhaled. Avoid breathing vapors. Wear long-sleeved shirt, pants, safety glasses or goggles and rubber gloves when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Vacate poorly ventilated areas as soon as possible. Do not return until strong odors have dissipated. Read Safety Data Sheet (SDS) before using this product.

Storage:

Store in a closed container in cool, dry area away from heat and sunlight to avoid deterioration. Refer to the guidelines in the Safety Data Sheet (SDS).

Regulatory Status:

CC-615 is Kosher certified. For a copy of the certificate, please contact your Safe Foods Chemical Innovations representative.

CC-615 is Halal compliant and does not contain any ingredients of animal origin or ethanol and does not come into contact with these materials during processing.
