

TECHNICAL DATA

PAC-500

HAVEY DUTY DEGREASER

Description:

A highly concentrated liquid alkaline cleaner ideally suited for use in food plants and other industrial applications.

This product is for use in areas where excessive grease and fats are encountered.

Directions for Use:

It may be applied by steam cleaner, pressure washer or foaming unit. Best results are obtained by foaming the solution onto surfaces to be cleaned at a concentration of 1 - 8 parts per 100 parts of hot water.

All food contact surfaces should be rinsed thoroughly with potable water.

Contains:

Sodium hydroxide, water softeners, surfactants.

FOR FOOD PLANT & INDUSTRIAL USE ONLY
