

MR 10 (RTU)

The perfect product for your general cleaning and sanitizing job!

MR 10 (RTU) is a Ready-To-Use heavy duty cleaner, degreaser and sanitizer. This versatile product is formulated to attack difficult greasy soils and is safe to use on most hard, non-porous surfaces.

It is an all-purpose cleaner for exam rooms, operatories, bathrooms, kitchens, walls, floors, and other general applications.

DIRECTIONS:

Always spot test in an inconspicuous area for compatibility.

Cleaning: Spray MR 10 (RTU) directly onto surface to be cleaned. Wipe soil off using a clean cloth. For heavily soiled areas, repeat as necessary.

Sanitizing: Clean surface thoroughly. Spray MR 10 (RTU) over entire surface until it is fully wet. Allow to stand for a minimum of 10 seconds. Wipe with a clean cloth.

CAUTIONS:

Do not use on glass, ceramic stovetops or fabrics.
Do not allow to dry on surfaces.
